Parallel Sessions

- 11:00 – 12.30 **WG 1: Digital Health Session**
Presenting the findings from the Digital Health WG kickoff meeting on April 17th, the activities of four EDIHs broadly addressing Digital Health themes such as healthcare, well-being, pharmaceuticals, and aging;
collecting and discussing further proposals with common and specific interests.
- WG 2: Supporting the low digitalised SMEs (Study on Smart Industrial Remoting)**
Presenting the main findings of the Smart Industrial Remoting Study and share results of the digitalisation experiments.
-
- 12:30 - 14:00 Lunch Break
-
- 14:00 – 15.30 **WG 3: Expanding outside the EU - status, current topics**
Interactive session will look beyond the European Union based EDIHs, namely towards the Eastern Partnership (EaP) region, consisting of Armenia, Azerbaijan, Georgia, Moldova and Ukraine. The speakers will discuss the differences and similarities between EU & EaP countries regarding the digital transformation of small and mediums-sized enterprises, as well as practical experiences in operating a DIH in an EaP country.
- WG 4: Networking the networks**
Bringing together European Digital Innovation Hubs with EEN, Clusters, Startup Europe and Cybersecurity Competence Centres to develop a seamless process to support European SMEs and Public Sector Organisations in their digitalisation pathway.
-
- 15:30 - 16:30 Closing remarks and Reception
-
